Note: All prices are Canadian cents per litre, including all applicable taxes. "n/a" indicates this information was not available for the reporting period.

Average prices for residential furnace oil in Yukon range from 127.2¢ per litre in Haines Junction to 140.3¢ per litre in Mayo. As is the case with the majority of motor fuel prices in the territory, the prices of residential heating fuel have increased in all Yukon communities comparing September 22 '10 to September 21 '11. The largest percentage increase in the price of furnace oil was in Teslin, rising 31.8% in the last year. Arctic stove oil prices saw the largest increase in Teslin, increasing 30.9% compared to September 21/10.

Whitehorse was the only community with propane prices available due to a major supplier making changes to their systems since April '10.

Price discounts may apply to seniors, members of unions or service groups, or for quick payment. Ask your fuel supplier for details.
